

PUBLIC NOTICE

Kawehno:ke Bridge Corridor Improvement Project Paving to commence Thursday, October 25th, 2018

The Seaway International Bridge Corporation (SIBC), the Federal Bridge Corporation (FBCL) and the Mohawk Council of Akwesasne (MCA) are working cooperatively to oversee the completion of the road reconstruction project (Contract 5) along International Road between the SIBC building to the crossroads on Kawehno:ke.

Please be advised that the project paving portion of this work is scheduled to start Thursday, October 25th, 2018. Additional traffic delays can be expected. Travelers are being asked to exercise prudence and patience in order to safely transit the corridor.
